Christian Waldvogel  
Netcetera  
Zypressenstrasse 71 P.O. Box  
8040 Zürich  
Switzerland

Dear Mr. Waldvogel:

We are pleased to advise you that Netcetera has been certified for compliance with requirements to offer the following Merchant Server Plug-in product for use with DCI's ProtectBuy<sup>sm</sup> program:

**MPI**

**Product Name:** Netcetera 3-D Secure MPI

**Product Version:** 1.0

**3-D Secure Compliance Version:** MPI 1.0.2 Core

This notice of compliance applies only to the product identified above which were submitted for certification. A product shall not be promoted as certified for ProtectBuy<sup>sm</sup> if any aspect of the product differs from what was submitted for certification. You must notify DCI of any updates to the certified product to determine if re-certification is required.

Even though this product was certified by DCI for compliance with ProtectBuy<sup>sm</sup>, you are liable for the use and distribution of the product. This notice of compliance should not be considered an endorsement or warranty of the functionality, quality or performance of the Product or any services you provide to your Clients in connection with the product.

Thank you for your participation and support of the ProtectBuy<sup>sm</sup> program.

Sincerely,

Clint Eidukas  
Manager, DCI Global Network Operations
